PROTECT • RESTORE • BEAUTIFY

How can I save time, money, and labor?

UDT will educate you how to incorporate EPIC. Custodians can **focus on cleaning** and maintenance instead of waxing floors!

One thin coat of EPIC provides a high-gloss that **lasts several years** without any ongoing maintenance.

Use your autoscubber (manual or autonomous) to clean the floors on an "as needed" basis only.

Ditch traditional wax once and for all!

FOR THE FOLLOWING FLOOR TYPES....AND MORE!!

Connect with a UDT professional floor consultant today!

- Diagnose existing floors and staffing
- Prioritize flooring issues
- Review sustainable solutions
- Connect with a trainer or trained contractor
