EPIC Training—Wednesday, March 19 8am—4pm

LOCATION: METRO FLOORING SUPPLY *5780 Main St NE—Minneapolis, MN 55432*

EPIC High-Performance Floor Finish is a water-based floor finish that offers the ultimate rejuvenation and protection for several floor types including vinyl, LVT, Concrete, Terrazzo and Tile & Grout. Unique to the market, it is an excellent alternative to wax that eliminates the need for stripping, buffing, grinding and polishing. Additionally, EPIC does not need to be recoated for 3-5 YEARS or more after the initial application, even in high traffic areas!

Training Schedule:

8:00—9:35	Introductions, EPIC/UDT History, Core Values, Floor Types
9:35—9:45	BREAK
9:45—10:00	Training Manual review—Preparation
10:00—11:30	Preparation Process—Tile and Grout Preparation Process—New LVT/VCT & Sheet vinyl Preparation Process—Concrete
11:30—12:00	Training Manual review—Mixing, Application, Ongoing Maintenance, Storage
