## PRODUCT DESCRIPTION

UDT Grout Colorant is a professional-grade grout colorant that penetrates existing grout lines to quickly rejuvenate and recolor while still retaining a natural look.

Once the UDT Grout Colorant is coated with EPIC High-Performance Floor Finish the grout lines will be protected with a continuous membrane, making the tile and grout easy to clean and maintain.

UDT Grout Colorant is available in 12 standard colors or can be matched to your specifications.
